Cornicello Caffè

COMMERCIAL COFFEE MACHINE SOLUTIONS

Flexible Coffee Solutions.

Choose the commercial model that fits your business, space, and customer experience.

Coffee Machine Subscription

A flat monthly service model for businesses that want to offer coffee to employees, customers, or guests.

Best for: offices, staff rooms, clinics, professional services firms, and boutique hotels.

Includes: machine placement, regular stocking, service and support, and simple monthly pricing.

Pay-Per-Use Machine

A usage-based option where billing reflects actual coffee consumption.

Best for: shared spaces, flexible workplaces, customer lounges, and pilot programs.

Benefits: lower commitment if uncertain demand, monthly usage billing, and easy scalability.

Customer Kiosk / Tap-to-Pay Station

A self-serve coffee station where end users pay directly for each drink.

Best for: hospitals, malls, campuses, recreation centres, event venues, and other high-traffic public spaces.

Benefits: cashless tap-to-pay, compact footprint, professional stocking and maintenance, and a revenue opportunity for host locations.

Why Businesses Choose *Cornicello Caffè*

Better coffee experience

Bring the feel of a local Italian café into your workplace or customer space.

No operational burden

We take care of the machine, product, supplies, and support.

Premium presentation

Our machines are designed to look clean, branded, and premium in commercial environments.

Flexible commercial models

Choose the structure that fits your business: subscription, usage-based, or customer-paid.

Local responsive service

Cornicello Caffè delivers hands-on, approachable support.
